Dear Dr. Posvar:

I am sending a copy of the US Army Topographic Command World Map. It is the latest version I could find but it is still a little out of date. It will arrive separately in a tube. I hope this way it will not get too creased.

I certainly enjoyed meeting you on 26 October and reacquainting you with the CIA. Sorry Navy did not cooperate in making your Washington stay a complete success.

Looking forward to meeting with you again.

Sincerely, *A*
